

How to develop cooperation between social workers in Lithuania and Denmark

AIEJI 2009

The history

- How did it started
- What has happened the last 10 years
- Who are the involved persons and organisations

Different types of cooperation

- EU projects
- NGO projects
- Formel and informel projects
- Different kind of projects
- Cultural and political possibilities and difficulties

What to learn

- Cultural barriers
- Isolated social projects
- Networking
- Connecting people
- Lika a stone thrown in the water

Questions to be asked

- Can anyone in this room help us to bring new experiences to all of us?
- How can we here – and later – make new learning. New projects?
- When will the time be for EU projects and when will the time be for NGO projects?
